Press Release

Playing the week of November 17, 2011. On Holden Community Television Channel 11

Ultra Nexus Installation

The week of Monday, November 21, HCTV will be updating our playback and video capturing systems! The bulletin board will continue to run un-interrupted, and HCTV 11 will be broadcasting the Holden Board of Selectmen meeting live on Monday, November 21 as usual - however some normally scheduled programs will be subject to change or postponement as the Ultra Nexus systems are implemented throughout the week. Our standard schedule will resume in full by the weekend.
